Instructions & Definitions

Covenants are **intentional agreements** creating a relationship of mutual commitment. Writing a covenant of personal intentions and sharing with the spiritual community of Christ the Healer is how you become a member or a Member in Spirit for the year: All members embrace and are embraced by our collective CtH covenant: **Waking up, Growing up, Cleaning Up**, and **Showing** up together for the emergence of the Kin-dom of Heaven on earth.

To do this, we seek to love God and one another in a transformational healing community. We affirm Christ as the universal love of God. As the embodiment or body of Christ, we mean to love, respect, and affirm one another (and ourselves) before understanding is reached; then make the effort to understand each other.

Christ the Healer United Church of Christ is a registered peace church encouraging and supporting its members in conscientious objection to war. We welcome everyone, including persons of any and all sexual and gender orientations, into our “walk together” covenant community.

Please address the questions on the following page to complete your covenant. Sign it and bring it with you to share in one of our gatherings, along with \$20 for the Central Pacific Conference UCC per capita fee assessed for each member of a UCC congregation.

Questions may be answered in this digital format, or printed and filled out. For digital, please save it, and email it to christthehealerucc@gmail.com.
